Dear Mr. Looney:

In accord with our letter of November 17, 1979, we assume you are no longer interested in carrying out the change and establishing a new water right as proposed by transfer application No. 3154 and water right application No. 52683; therefore, the files are being closed and our check No. 3065 is enclosed in refund of unearned fees we have been holding in the amount of \$48.30.

Sincerely,

Wayne J. Overcash
