The assignment from Jim Hatley to John Standley has been recorded in the records of the Water Resources Department.

The Departments records will now show John Standley as the transfer holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 140830 covering the recording fee is also enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.
