REFERENCE: Permit Amendment Application T-13747

During my initial review of Permit Amendment application T-13747 for Tim and Janice Kerns, the Department has identified issues that will need to be resolved before we can continue processing your application. The Department requires that all permit holders of record are either listed in the Permit Amendment Application as applicant and sign the application or provide to the Department, a separate notarized affidavit of consent for each permit if they are not listed as an applicant. You may also choose to withdraw the application.

If you choose to continue with the processing of Permit Amendment Application T-13747, the following requires your immediate attention:

- Permit G-17016 has the following individuals listed as permit holders of record: Northwest Farms Credit Services, Tim Kerns, and Janice Kerns. Northwest Farms Credit Services is not listed on the application as an applicant and did not sign the application. A notarized affidavit of consent, signed by Northwest Farms Credit Services, allowing Permit Amendment Application T-13747 to change Permit G-17016, was also not included with the submitted application.
- Permit G-17017 has the following individuals listed as permit holders of record: Northwest Farms Credit Services, Tim Kerns, and Janice Kerns. - Permit G-17018 has the following individuals listed as permit holders of record: Northwest Farms Credit Services, Tim Kerns, and Janice Kerns. If the Department does not receive submittal of the above requested materials by May 21, 2023, the Department will deny the application as incomplete. You may choose to withdraw your application before this 30-day deadline expires.
