If you would like this lease to relate to other instream water rights differently than described above, please check this box. <input type="checkbox"/> And attach an explanation of your intent.	
<b>Precedent:</b> If a right which has been leased is later proposed to be leased again or later transferred or become part of an allocation of conserved water project, a new injury review shall be required. An instream lease shall not set a precedent on a future transaction.	
<b>Validity of the rights to be leased:</b> <input checked="" type="checkbox"/> The water right(s) to be leased have been used under the terms and conditions of the right(s) during the last five years or have been leased instream; or <input type="checkbox"/> The water right(s) <b>have not been used</b> for the last five years according to the terms and conditions of the rights. However, the water right(s) is not subject to forfeiture under ORS 540.610(2). Documentation describing why the water right is not subject to forfeiture has been provided.

**Re: Central Oregon Irrigation District | Instream Leases and Temporary Transfer Applications**

Dear Ms. Talbott,

We represent the Confederated Tribes of the Warm Springs Reservation of Oregon (“Tribe”). Central Oregon Irrigation District (“COID”) has provided the Tribe with certain information concerning several proposed instream leases and temporary transfer applications identified in Appendix A hereto (collectively, the “Applications”), which Applications propose to either (1) lease water for instream purposes, or (2) temporarily transfer the use of a pre-existing water right.

The Tribe has reviewed the information about the Applications provided by COID. The Tribe has not reviewed the Applications themselves, and is instead relying in good faith upon the summary information provided by COID. Based on that information, the Tribe does not object to the Department of Water Resources (“Department”) processing the Applications in accordance with applicable law, and the Department’s customary practice. The Tribe, however, expressly reserves, and does not waive, all rights, claims, and defenses that it may possess in connection with the Applications, including, but not limited to, whether the Applications violate the Treaty of June 25, 1855, with the Tribes of Middle Oregon, 12 Stat. 963, or the Confederated Tribes of the Warm Springs Reservation Water Rights Settlement Agreement, dated November 17, 1997, as amended.

Please let us know if you have any questions.

Sincerely,

  
Josh Newton  
of BEST BEST & KRIEGER LLP

**DURABLE POWER OF ATTORNEY**

*of*

**THOMAS HSUEH**  
**(Effective Immediately)**

1. **Designations.** THOMAS HSUEH (the "Principal"), residing and domiciled in the state of Washington, hereby revokes any and all durable powers of attorney for financial and property matters previously executed by him and designates DACIA HSUEH as agent in the name, place, and stead of the Principal.

2. **Purpose.** The primary purpose in granting this power of attorney is to allow the Principal's agent(s) to act for the Principal in Principal's place and stead. Accordingly, the Principal's agent(s) shall have all powers as are necessary or desirable to act as Principal's agent, regardless of whether or not Principal is incapacitated.

3. **Effectiveness and Durability.** This Durable Power of Attorney shall be effective immediately and shall not be affected by the later disability of the Principal.

4. **Powers.** The agent, as fiduciary, shall have all powers of an absolute owner over the assets and liabilities of the Principal whether located within or without the state of Washington, including but not limited to the following powers:

a. **Accounts of Financial Institutions.** To make deposits to and payments from any account in a financial institution, including but not limited to banks, trust companies, mutual savings banks, savings and loan associations, credit unions, and securities dealers. This shall further include the authority to maintain and close existing accounts; to open, maintain, and close other accounts; and to make deposits, transfers, and withdrawals with respect to all such accounts.

b. **Safe Deposit Box.** To enter any safe deposit box in which the Principal has the right of access.

c. **Real Property.** To purchase, take possession of, lease, sell, convey, exchange, mortgage, release, and encumber real property or any interest in real property.

d. **Personal Property.** To purchase, receive, take possession of, lease, sell, assign, endorse, exchange, release, mortgage, and pledge personal property or any interest in personal property.

e. **Securities.** To deal in any manner with all types of securities, including the right to transfer and sell securities.

f. Business Operation. Full power and authority to do everything the Principal could do as the absolute owner of the Principal's interest in Triton - America, LLC, Triton Holdings, Inc., Triton Aerospace, LLC, Bayview Composites, LLC, South Lakeland Airport, LLC, and Pioneer Point Marina, LLC ("Family Business Interest"). In granting this authority, the Principal intends that the agent have all of the authority described in the Washington Uniform Power of Attorney Act, RCW 11.125.260, 11.125.290 through 11.125.310, 11.25.340, and 11.125.380 to assist the Principal with and to manage the Principal's Family Business Interest. This includes authority over (a) stocks, bonds, and financial instruments, (b) matters involving banks and financial institutions, (c) operation of a business or entity, (d) claims and litigation, and (e) taxes, all to the extent related in any way to the Principal's Family Business Interest.

g. Gifts. To make gifts to the Principal's spouse and to any lawful descendant of the Principal, including the agent. In making any such gift, the agent shall consider the over-all design of the Principal's estate plan, any pattern of gifting established by the Principal, the Principal's ability to continue making such gift or gifts, the Principal's continued health and well-being, the impact of inflation upon the value of such gifts, the reduction of transfer taxes at the time of the Principal's death, and other estate planning considerations. This power shall not be available to satisfy any obligation of an agent to support any other person, and shall be limited to the power to gift to an acting agent only for his or her health, support, and maintenance, but shall not be limited by the annual federal gift tax exclusion amount. The agent shall not breach any fiduciary duty to the Principal by reason of gifts made or withheld in good faith.

h. Disclaimer. To renounce or disclaim any interest otherwise passing to the Principal by intestate or testate succession, or by *inter vivos* transfer. In so disclaiming, the agent may rely with acquittance upon the advice of the Principal's attorney regarding the Principal's estate planning objectives.

i. Taxes. To prepare, make elections, execute, and file all tax returns and to pay all taxes required by law, including federal, state, and gift tax returns, and to file all claims for abatement or refund and other papers relating thereto.

j. Monies Due. To request, demand, recover, collect, endorse, and receive all monies, debts, accounts, gifts, bequests, dividends, annuities, rents, and payments due the Principal.

k. Revoke and Amend Documents. To make, amend, alter, or revoke any life insurance beneficiary designations and/or any retirement plan beneficiary designations of the Principal, so long as, in the sole discretion of the agent, such action would be in the best interest of the Principal and in the best interest of those interested in the estate of the Principal.

l. Delegation of Authority. To delegate, in writing, to any alternate or successor agent named above any authority granted under this power of attorney. Any such appointment of a temporary agent or delegation of authority shall set forth the period for which it is valid and specify the limits, if any, of such appointment or delegation during such period.

APR 12 2024

5. **Health Care Decisions.** The agent is authorized to consent to such medical care and treatment as are necessary for the Principal's well being. If the Principal is terminally ill, the agent shall have the power to consent to the withdrawal and/or withholding of life-sustaining procedures consistent with the terms of any health care directive executed by the Principal. If the Principal has entered into a separate Durable Power of Attorney for Health Care designating another agent to act on behalf of the Principal with respect to medical care and treatment, then the separate Durable Power of Attorney for Health Care shall prevail with respect to the designation of agent for health care and all health care decisions. Provided, however, the agent under this Durable Power of Attorney and the agent under any separate Durable Power of Attorney for Health Care are encouraged to cooperate and coordinate their decision-making and are authorized to share information for the purpose of making decisions in the best interests of the Principal.

6. **Revocation.** The Principal may revoke this power of attorney at any time by giving the agent written notice personally delivered or mailed to the last known address for the agent.

7. **Termination; Guardian.** This power of attorney shall be terminated upon receipt of written notice or actual knowledge by the agent of the death of the Principal, and further may be terminated by the guardian of the estate of the Principal following court approval of such termination. Should the court need to appoint a guardian of Principal's estate, it is the Principal's desire that the agent or the alternate agent herein named be appointed by the court.

8. **Accounting.** The agent shall be required to account to a guardian of the estate of the Principal, trustee of the Principal's revocable trust, special representative designated in the Principal's revocable trust, or personal representative of the estate of the Principal, if requested by any of them.

9. **Reliance.** The agent and any person dealing with the agent each shall be entitled to rely upon this power of attorney so long as such party has not received actual knowledge or actual notice of revocation, suspension, or termination of the power of attorney by death or otherwise. Any action so taken in good faith, unless otherwise invalid or unenforceable, shall be binding on the heirs, legatees, devisees, and personal representative of the Principal. Third parties shall be entitled to rely upon a photocopy of the signed original.

10. **Indemnification.** The estate of the Principal shall hold harmless and indemnify the agent from any and all liability for acts done in good faith.

11. **Costs and Compensation.** The agent shall be reimbursed for all costs and expenses reasonably incurred. In addition, the agent shall be paid at least annually, without court approval, such compensation for services performed by the agent as is reasonable in the community for like services performed by an agent and/or a guardian of the estate.
