Dear Mr. Stephens:

We have received your superseding application numbered 57293. We have also received the affidavit of abandonment regarding that part of the water right described by Certificate No. 11367.

In accordance with your letter of January 12, 1979, your transfer application numbered 4071 is being withdrawn from the records of this office.

Permits will be issued for the use of water from the Willamette River and its tributaries. However, water may not be available during dry periods. The water may be needed to satisfy existing rights or minimum flow standards.

Your applications numbered R-57292 and 57293 are now satisfactory and will be considered for approval by issuance of permits.

Sincerely,

VESTAL GARNER
Water Rights Engineer
