The undersigned, John Gall, certifies the following:

1. I have lived at 10990 North Applegate Road Grants Pass, Oregon for over 50 years.
2. I have been a neighbor and friend with the former property owner since 1980. Over those years we would speak about him using both the Applegate river and the North side ditch for irrigation purposes. The former owner irrigated and farmed his entire property until his death in 2022. He had a pump that he would place on his property along the applegate river with a backhoe. He also had a pump that was connected to the North Side ditch.
3. Water diverted from both the Applegate river and the North side ditch were used to irrigate his property. The water rights ( Certificate numbers told to me by current owners Sean and Brittini Doyle) reference this affidavit( Certificate Nos. 45063, 56499, 56500 and 65831) appurtenant to the Property located in the Southeast Quarter of Section 27, Township 37 South, Range 5 West.
4. The North Side ditch and River pump were used to divert water for irrigation over the entire Property.
5. Diversion of water for irrigation purposes occurred over our friendship from 1980 -2022. The property was under annual irrigation every year during our friendship.

I have personal knowledge of the facts set forth in this affidavit.
