

**BEFORE THE WATER RESOURCES DEPARTMENT  
OF THE  
STATE OF OREGON**

In the Matter of Groundwater	)	PRELIMINARY DETERMINATION
Registration Modification Application	)	PROPOSING APPROVAL OF RECOGNITION
T-13754, Marion County	)	FOR AN ADDITIONAL POINT OF
	)	APPROPRIATION AND A MODIFICATION
	)	IN PLACE OF USE

**Authority**

Oregon Revised Statutes (ORS) 537.610, 537.705 and 540.505 to 540.580 establish the process in which the holder of a certificate of registration may submit a request for recognition of modifications to the place of use, character of use or point of appropriation under a groundwater certificate of registration.

Oregon Administrative Rules (OAR) Chapter 690, Divisions 382 and 380 implement the statutes and provide the Department's procedures and criteria for evaluating groundwater registration modification applications.

**Applicant**

STEPHEN HEER AND PATRICIA ANN KIRK  
12565 NE CARL ROAD  
WOODBURN, OR 97071

**Findings of Fact**

1. On June 23, 2021, STEPHEN HEER AND PATRICIA ANN KIRK filed a groundwater registration modification application for an additional point of appropriation and to modify the place of use under Registration Application GR-62 (Certificate of Registration GR-81). The Department assigned the application number T-13754.
2. On July 16, 2021, Registration Application GR-62 (Certificate of Registration GR-81) was assigned from AMBROSE J. HEER to STEPHEN HEER AND PATRICIA ANN KIRK.
3. Notice of the application for groundwater registration modification was published on July 13, 2021, pursuant to OAR 690-382-0600. No comments were filed in response to the notice.
4. On December 10, 2024, the Department sent a copy of the draft Preliminary Determination proposing to approve Groundwater Registration Modification Application T-13754 to the applicants. The draft Preliminary Determination cover letter set forth a deadline of January 10, 2025, for the applicants to respond. The applicants requested that the Department proceed with issuance of a Preliminary Determination and provided the necessary information to demonstrate that the applicant is authorized to pursue the Groundwater Registration Modification.

Pursuant to OAR 690-380-4030, any person may file a protest or standing statement within 30 days after the last date of publication of the newspaper notice or the Department's weekly notice as prescribed by OAR 690-380-4020, whichever is later, of this preliminary determination.

5. The groundwater registration to be modified is as follows:

**Registration:** Application GR-62 (Certificate of Registration GR-81), in the name of AMBROSE J. HEER (*assigned to STEPHEN HEER and PATRICIA ANN KIRK*)

**Use:** IRRIGATION of 32.0 ACRES

**Tentative**

**Priority Date:** JULY 15, 1953

**Quantity:** 200 GALLONS PER MINUTE (GPM)

**Duty:** 1 ACRE FOOT PER YEAR

**Source:** PUMP WELL

**Original Point of Appropriation:**

Twp	Rng	Mer	Sec	Q-Q	DLC	Measured Distances
5 S	1 W	WM	3	NW SW	60	400 FEET NORTH AND 58 CHAINS WEST FROM THE SE CORNER OF JOHN PURVINE DLC 60

**Original Place of Use:**

IRRIGATION					
Twp	Rng	Mer	Sec	Q-Q	Acres
5 S	1 W	WM	3	NE SW	2.0
5 S	1 W	WM	3	NW SW	30.0
Total					32.0

6. Groundwater Registration Modification Application T-13754 proposes an additional point of appropriation approximately 400.0 feet South from the original well to:

Twp	Rng	Mer	Sec	Q-Q	DLC	Measured Distances
5 S	1 W	WM	3	SW SW	60	PROPOSED WELL 2 - 80 FEET NORTH AND 3660 FEET WEST FROM THE SE CORNER OF JOHN PURVINE DLC 60

7. Groundwater Registration Modification Application T-13754 proposes to modify the place of use under the groundwater registration to:

IRRIGATION						
Twp	Rng	Mer	Sec	Q-Q	DLC	Acres
5 S	1 W	WM	3	NE SW	60	1.0
5 S	1 W	WM	3	NW SW	60	29.0
5 S	1 W	WM	3	SW SW	60	2.0
Total						32.0

***Review Criteria for Groundwater Registration Modification Applications [OAR 690-382-0100(10), 690-382-0700(2), 690-382-1000(1), 690-380-2110(2), and 690-380-2200]***

8. The proposed modification would not result in a state Scenic Waterway not receiving previously available water during periods in which stream flows are less than the quantities determined by the Department to be necessary to meet the requirements of ORS 390.835.
9. The proposed point of appropriation develops groundwater from the same aquifer as the authorized point of appropriation, as required by OAR 690-380-2110(2).
10. The proposed modifications, as conditioned, would not result in enlargement of the registration

11. The proposed modifications, as conditioned, would not result in injury to other water rights.
12. All other application requirements are met.

#### **Determination and Proposed Action**

The additional point of appropriation and modification in place of use proposed in Groundwater Registration Modification T-13754 appear to be consistent with the requirements of ORS 537.610, 537.705, 540.505 to 540.580 and OAR 690-382-1000. If protests are not filed pursuant to OAR 690-382-0900, the modification will be approved.

*If Groundwater Registration Modification T-13754 is approved, the final order will include the following:*

1. *The modifications to Registration Application GR-62 (Certificate of Registration GR-81) proposed in Groundwater Registration Modification Application T-13754 are recognized. Recognition of the modifications shall not be construed as a final determination of the right to appropriate groundwater under the certificate of registration or modification. Such a determination will occur in an adjudication proceeding under ORS 537.670 to 537.695.*
2. *The use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Registration Application GR-62 (Certificate of Registration GR-81) and any related decree.*
3. *Approval of this groundwater registration modification application does not constitute nor grant legal access onto or through another person's property for purposes of accessing the new point of appropriation or the new place of use.*
4. *Water shall be acquired from the same aquifer (water source) as the original point of appropriation.*
5. *The combined quantity of water diverted at the proposed additional point of appropriation (PROPOSED WELL 2), together with that diverted at the original point of appropriation, shall not exceed the quantity of water lawfully available at the original point of appropriation (Pump Well).*
6. *The former place of use of the modified groundwater registration shall no longer receive water as part of the groundwater certificate of registration.*

Dated in Salem, Oregon on **FEB 06 2025**

  
Lisa J. Jaramillo, Transfer and Conservation Section Manager, for  
IVAN GALL, DIRECTOR  
Oregon Water Resources Department

This Preliminary Determination was prepared by Arla L Davis. If you have questions about the information in this document you may reach me at 503-979-3129 or [arla.l.davis@water.oregon.gov](mailto:arla.l.davis@water.oregon.gov).

## **Protests**

Under the provisions of ORS 540.520(6) & (7) and OAR 690-382-0900, within 30 days after the last date of publication of the newspaper notice or the Department's weekly notice as prescribed by OAR 690-382-0800, whichever is later, any person may file, jointly or severally, a protest expressing opposition of approval of the groundwater registration application and disagreement with this Preliminary Determination or a standing statement in support of this Preliminary Determination. Protests and standing statements must be received by the Water Resources Department within 30 days after the last date of publication of the newspaper notice or the Department's weekly notice as prescribed by OAR 690-382-0900, whichever is later.

Protests must be in writing and received in hard copy form with the appropriate statutory protest filing fee; protests cannot be filed by electronic mail. [OAR 690-002-0025(3) and 690-382-0900]. and include the following:

- The person's name, address, and telephone number;
- All reasonably ascertainable issues and all reasonably available arguments supporting the person's position by the close of the protest period. Failure to raise a reasonably ascertainable issue in a protest or failure to provide sufficient specificity to afford the Department an opportunity to respond to the issue may preclude consideration of the issue during the hearing;
- If you are the applicant, a protest fee of \$480 required by ORS 536.050; and
- If you are not the applicant, a protest fee of \$950 required by ORS 536.050 and proof of service of the protest upon the applicant.

## **Requests for Standing**

Under the provisions of OAR 690-382-0900(5), the Department shall provide to persons who have filed standing statements as defined under OAR 690-382-0100(8) notice of any differences between the Department's Preliminary Determination and the Final Order, notice of a hearing on the application under OAR 137-003-0535, and an opportunity to request limited party status or party status in the hearing.

Requests for standing must be received in the Water Resources Department no later than 30 days after the last date of publication of the newspaper notice or the Department's weekly notice as prescribed by OAR 690-382-0900, whichever is later. Requests for standing must be in writing, and must include the following:

- The requester's name, mailing address and telephone number;
- If the requester is representing a group, association or other organization, the name, address and telephone number of the represented group;
- A statement that the requester supports the preliminary determination as issued.

After the protest period has ended, the Director will either issue a Final Order or schedule a contested case hearing. The contested case hearing will be scheduled only if a protest has been filed under OAR 690-382-0900. In accordance with OAR 690-382-1100, notice and conduct of the hearing shall:

- Be under the applicable provisions of ORS 183.310 to 183.550, pertaining to contested cases, and the hearing shall be held in the area where the rights are located unless all parties stipulate otherwise; and
- If a protest has asserted that a water right to be transferred has been forfeited through non-use, include the notice and procedures described in OAR 690-017-0500 to 690-017-0900.

If you do not request a hearing within 30 days after the close of the protest period, or if you withdraw a request for a hearing, notify the Department or the administrative law judge that you will not appear, or fail to appear at a scheduled hearing, the Director may issue a final order by default. If the Director issues a Final Order by default, the Department designates the relevant portions of its files on this matter, including all materials that you have submitted relating to this matter, as the record for purpose of proving a *prima facie* case upon default.

You may be represented by an attorney at the hearing. Legal aid organizations may be able to assist a party with limited financial resources. Generally, partnerships, corporations, associations, governmental subdivisions, or public or private organizations are represented by an attorney. However, consistent with OAR 690-002-0020 and OAR 690-137-0555, an agency representative may represent partnerships, corporations, associations, governmental subdivisions or public, or private organizations if the Department determines that appearance of a person by an authorized representative will not hinder the orderly and timely development of the record in this case.

**Notice Regarding Servicemembers:** Active duty servicemembers have a right to stay proceedings under the federal Servicemembers Civil Relief Act. For more information contact the Oregon State Bar at 1-800-452-8260, the Oregon Military Department at 971-355-4420, or the nearest United States Armed Forces Legal Assistance Office through <http://legalassistance.law.af.mil>. The Oregon Military Department does not have a toll-free number.

If you have questions about how to file a protest or if you have previously filed a protest and you want to know the status, please contact the Protest Program Coordinator at 503-979-9160.

If you have questions about the Department or any of its programs, please contact our Water Resources Customer Service Group at 503-986-0900.

WOODBURN, OR 97071

SUBJECT: Groundwater Registration Modification T-13754

Please find enclosed the Preliminary Determination indicating that, based on the information available, the Department intends to approve application T-13754. This document is an intermediate step in the approval process; water may not be used legally as proposed in the groundwater registration modification application until a Final Order has been issued by the Department. Please read this entire letter carefully to determine your responsibility for additional action.

A public notice is being published in the Department's weekly publication, simultaneously with issuance of the Preliminary Determination. The notice initiates a period in which any person may file either a protest opposing the decision proposed by the Department in the Preliminary Determination or a standing statement supporting the Department's decision. The protest period will end 30 days after the Department's notice.

If no protest is filed, the Department will issue a Final Order consistent with the Preliminary Determination. You should receive a copy of the Final Order about 30 days after the close of the protest period.

If a protest is filed, the application may be referred to a contested case proceeding. A contested case provides an opportunity for the proponents and opponents of the decision proposed in the Preliminary Determination to present information and arguments supporting their position in a quasi-judicial proceeding.

Please don't hesitate to contact me at 503-979-3129 or [arla.l.davis@water.oregon.gov](mailto:arla.l.davis@water.oregon.gov) if I may be of assistance.

Sincerely,

*Arla L Davis*
