Reference: Transfer T-12247

The partial assignment from Canyon Farm II, LLC to Port of Morrow and the partial assignment by proof from Easterday Farms Dairy, LLC to Port of Morrow have been recorded in the records of the Water Resources Department.

The Departments records will now show Port of Morrow as the transfer holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 144668 and 144669 covering the recording fees are also enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
Water Right Services Division
