### Application for

## **District Instream Lease**

Part 1 of 4 - Minimum Requirements Checklist

Oregon Water Resources Department 725 Summer Street NE, Suite A Salem, Oregon 97301-1266 (503) 986-0900 www.oregon.gov/OWRD

This Application to be used for water rights in the name of or conveyed by an Irrigation District (or similar organization)

Complete Parts 1 through 4 and any required attachments

OWRD# 11-2120

Check all items included with this application. (N/A = Not Applicable)Or \$410.00 for all other leases Fee in the amount of: \$610.00 for a lease involving four or more landowners or four or more water rights Check enclosed or (Account name) Fee Charged to customer account Yes N/A Pooled Lease-a lease with more than one Lessor (Landowner/water right interest holder) Part 1 – Completed Minimum Requirements Checklist Part 2 - Completed District and Other Party Signature Page Part 3 - Completed Place of Use and Lessor Signature Page (Include a separate Part 3 for each Lessor.) Part 4 – Completed Water Right and Instream Use Information (Include a separate Part 4 for each Water Right.)  $\boxtimes$ How many Water Rights are included in the lease application? 1 (# of rights) List each water right to be leased instream here: 86271 N/A Other water rights, if any, appurtenant to the lands involved in the lease application and not proposed to be leased instream. List those other water rights here: Yes No. Conservation Reserve Enhancement Program CREP - Are some or all of the lands to be leased part of CREP or another Federal program (list here: \_\_\_\_\_)? Required Attachments: N/A Yes Instream lease application map(s). More than one QQ and property may be included on each map. A map is not required if an entire right is being leased or if the right is for use of municipal or quasi-municipal water use. The map should include the following: A north arrow and map scale (no smaller than 1" = 1320'). Label township, range, section and quarter-quarter (QQ). · If an irrigation right, the numbers of acres to be leased in each quarter-quarter identify and hachure/shade to differentiate between the acreage being leased and any remaining. If the place of use has more than one priority date, source stream, and/or point of diversion you must identify each with separate hachuring or shading and label. Tax lot lines and numbers must be included on the map and should clearly identify the property(s) involved. N/A Yes If the Lessor(s) is not the deeded land owner, include one of the following: A notarized statement from the land owner consenting to the lease and a copy of the recorded A water right conveyance agreement and a copy of the recorded deed for the landowner at the time the water right was conveyed; or Other documentation. Yes N/A If the right has **not** been used in the last five years; provide supporting documentation indicating why a right (or portion thereof) is not subject to forfeiture.

# Complete Table 1 Identify water right(s) proposed to be leased instream Provide a separate Part 3 for each Lessor (water right interest holder/landowner)

#### Table 1

Irrigation District or other Water Purveyor Name: Walla Walla River Irrigation District

Specify Water Right, Priority Date, point of diversion(s) (POD), place of use, tax lot, gov't lot/DLC, acres to be leased, original use type, certificate page number, and any previous lease.

If not enough room below, you may add rows (see instructions) or create a spreadsheet/table (matching Table 1) and attach.

Any attached table should include reference to the Lessor.

Water Right #	Priority Date	POD#	Tw	р	Rn	g	Sec	Q	-Q	Tax Lot	Gov't Lot/DLC#	Acres	Use	Page #	Previous Lease #
86271	1891	1	6	N	35	E	36	NW	SE	300		8.28	IR		IL-2059

Any additional information about the right:

Farm Deferral Tax Status: Counties make the determination of whether a property qualifies for the farm use assessment without consideration of whether the lands have an associated water right which is leased instream. If you have questions regarding the farm use assessment you should contact your local county assessor. You should contact your County for any weed ordinance and management requirements.

### The undersigned declare:

- 1. I/We agree during the term of this lease to suspend use of water allowed under the water right(s) involved in the lease as well as and any other appurtenant primary or supplemental water right(s); and
- 2. I/We certify are the lessor(s) (water right interest holder) of the water right(s) in Table 1. If not the deeded land owner, I/we have obtained consent from the deeded land owner, and/or have provided documentation of authorization to pursue the instream lease; and

3. I/We affirm that the information in this application is true and accurate.
