Dear Mr. Goldy:

REFERENCE: File T-2925

Your application for an extension of the time limit in which to make complete application of water under the terms of Transfer 2925 has been received. We also have your check in the amount of \$20 for which our Receipt 30973 is enclosed.

The application indicates reasonable diligence has been exercised toward completion of the proposed project; therefore, the time limit is being extended to October 1, 1982.

You should make every attempt to complete your project on or before that date because it is doubtful if any further extensions can be granted.

Sincerely,

SAMUEL R. ALLISON
