Attention: Mr. Larry Jebousek, Assistant

Dear Mr. Jebousek:

I am enclosing an application in the names of Elwyn L. and Betty M. Rowe of 14855 East Evans Creek Road, Rogue River, Oregon 97537, for a change in point of diversion of water from Evans Creek, together with his map tracing, legal land description, and personal check in the sum of \$65.00 to cover transfer and advertising fees, and permission from the Fowlers to establish a diversion point on their property.

The Rowses have requested that the advertising notice be placed in the Ashland Daily Tidings, Ashland, Oregon 97520.

It is my opinion that this proposed change in point of diversion may be made without injury to existing rights and I believe that the second provision relative to pumping plants would be the best to incorporate within the order.

Very truly yours,
