BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

DESCHUTES COUNTY

IN THE MATTER OF THE APPLICATION OF)
WILLIAM J & EILEEN GILPIN (CENTRAL)
OREGON IRRIGATION DISTRICT) FOR AP-)
PROVAL OF A CHANGE IN PLACE OF USE)
OF WATER FROM DESCHUTES RIVER)

ORDER APPROVING
TRANSFER NO. 3794

On September 23, 1977, William J. and Eileen Gilpin filed an application in the office of the Water Resources Director for approval of a change in place of use of water from Deschutes River, pursuant to the provisions of ORS 540.510 to 540.530.

By Decree of the Circuit Court for Deschutes County, Oregon, entered September 30, 1958, In the Matter of the Determination of the Relative Rights to the Use of Deschutes River and Its Tributaries, a water right was allowed in the name of Central Oregon Irrigation District for use of the waters of Deschutes River for irrigation of, among other lands, 2.0 acres in NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 21, Township 17 South, Range 13 East, W.M., being tabulated in the name of L. G. Lawrence, with dates of priority of October 31, 1900 and December 2, 1907, as evidenced by certificate of water right recorded at page 29052, Volume 21, State Record of Water Right Certificates. These lands also have a supplemental right under permit No. 23256 to the use of the water stored in Crane Prairie Reservoir with a date of priority of February 28, 1913. These lands are irrigated by means of the Central Oregon Canal.

The applicants herein, owners of the lands above described, propose to transfer the water right therefrom, without loss of priority, to a certain other 2.0 acres in NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 21, Township 17 South, Range 13 East, W.M.

The lands involved herein are within the boundaries of the Central Oregon Irrigation District and the Board of Directors of said District approved the proposed change in place of use at a regular meeting held December 1, 1976.

No objections having been filed and it appearing that the proposed change in place of use of water may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested change in place of use, as described herein, without loss of priority, is approved.

It is FURTHER ORDERED that said water so transferred shall be applied to beneficial use on or before October 1, 1980.

It is FURTHER ORDERED that upon receipt of proof satisfactory to the Water Resources Director of complete application of water to beneficial use on the lands to which the water is transferred hereby, a certificate of water right shall be issued to Central Oregon Irrigation District confirming this and prior changes within the District.

Dated at Salem, Oregon this 30th day of October, 1978.

James E. Sexson
Director
