Re: Certificate 97087 transfer T-14557 revisions

The caseworker Kim French emailed me on July 16, 2025 with an issue regarding the application for our client: Hilary Rich and Joseph Cox Transfer T-14557 on Certificate 97087.

The issue referred to Table 2. An error was made in the acres column for in the authorized description.

Corrections have been made to the Table and are attached.

Please use and attach additional pages of Table 2 as needed.
See page 6 for instructions.

Do you have questions about how to fill-out the tables?
Contact the Department at 503-986-0900 and ask for Transfer Staff.

Table 2. Description of Changes to Water Right Certificate # 97087

OWRD

List the change proposed for the acreage in each ¼ ¼. If more than one change is proposed, specify the acreage associated with each change.
If there is more than one POD/POA involved in the proposed changes, specify the acreage associated with each POD/POA.

AUTHORIZED (the "from" or "off" lands) The listing that appears on the certificate BEFORE PROPOSED CHANGES List only that part or portion of the water right that will be changed.												Proposed Changes (see "CODES" from previous page)	PROPOSED (the "to" or "on" lands) The listing as it would appear AFTER PROPOSED CHANGES are made.

Additional remarks: The well specifications given below for the new wells are estimates only. The actual construction of the wells will be based on conditions encountered in the field. The objective will be to construct the wells to develop water from the alluvial aquifer.
