BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

DOUGLAS COUNTY

IN THE MATTER OF THE APPLICATION OF)
EDWARD & REVA HEIZMAN FOR APPROVAL)
OF CHANGES IN PLACE OF USE AND)
POINT OF DIVERSION OF WATER)

ORDER APPROVING
TRANSFER NO. 4063

On October 4, 1978, an application was filed in the office of the Water Resources Director by Edward and Reva Heizman for approval of changes in place of use and point of diversion of water from East Fork Frozen Creek, pursuant to the provisions of ORS 540.510 to 540.530.

The certificate recorded at page 1990, Volume 3, State Record of Water Right Certificates, in the name of Chas. L. Wimer, describes a right for the use of not to exceed 0.46 cubic foot per second from East Fork Frozen Creek for irrigation of a certain 12.0 acres in SW $\frac{1}{4}$ SE $\frac{1}{4}$ and 25.0 acres in NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 32, Township 28 South, Range 4 West, W.M., with a date of priority of March 7, 1917.

The authorized point of diversion of record for said right is located 26.07 chains west from the Northwest Corner of Section 32, being within the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 32, Township 28 South, Range 4 West, W.M. (NE)

The applicants herein propose changes in place of use and point of diversion, without loss of priority, by severing the right from a certain 5.5 acres in NW $\frac{1}{4}$ SE $\frac{1}{4}$ and 7.2 acres in SW $\frac{1}{4}$ SE $\frac{1}{4}$ of the lands above described and in lieu thereof to irrigate a certain 4.2 acres in NW $\frac{1}{4}$ SE $\frac{1}{4}$, 1.4 acres in SW $\frac{1}{4}$ SE $\frac{1}{4}$, 5.2 acres in NE $\frac{1}{4}$ SW $\frac{1}{4}$ and 1.9 acres in SE $\frac{1}{4}$ SW $\frac{1}{4}$ of said Section 32, and to irrigate these lands together with the remaining 19.5 acres in NW $\frac{1}{4}$ SE $\frac{1}{4}$ and 4.8 acres in SW $\frac{1}{4}$ SE $\frac{1}{4}$ of the lands above described from two points of diversion located (1) 1840 feet North and 2430 feet West and (2) 1450 feet North and 2600 feet West, both from the Southeast Corner of Section 32, both being within the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 32, Township 28 South, Range 4 West, W.M.

Notice of the application, pursuant to ORS 540.520(2), was published in The News-Review, a newspaper printed and having general circulation in Douglas County, Oregon, for a period of three weeks in the issues of November 6, 13 and 20, 1978.

Mr. M. John Youngquist, Watermaster, has filed a statement to the effect that the proposed changes in place of use and point of diversion may be made with-

131 P543

out injury to existing rights.

No objections having been filed and it appearing that the proposed changes in place of use and point of diversion may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested changes in place of use and point of diversion, as described herein, without loss of priority, are approved.

It is FURTHER ORDERED that the quantity of water diverted at the new points of diversion shall not exceed the quantity of water available at the old point of diversion under the subject right.

It is FURTHER ORDERED that the following provisions shall be effective when in the judgment of the watermaster it becomes necessary to install headgates and measuring devices:

That the diversion works shall include an in line flow meter, a weir, or other suitable device for measuring the water to which the applicant is entitled;

That the type and plans of the measuring device be approved by the watermaster before the beginning of construction work and that the weir or measuring device be installed under the general supervision of said watermaster.

It is FURTHER ORDERED that the construction work shall be completed and the change in point of diversion of water made and that said water so transferred shall be applied to beneficial use on or before October 1, 1980.

It is FURTHER ORDERED that the certificate of water right recorded at page 1990, Volume 3, State Record of Water Right Certificates, is canceled; and upon proof satisfactory to the Water Resources Director of completion of works and beneficial use of water to the extent intended under the provisions of this order, a confirming certificate of water right shall be issued to the applicants herein.

Dated at Salem, Oregon this 3rd day of January, 1979.
