BEFORE THE WATER RESOURCES DIRECTOR OF OREGON

DESCHUTES COUNTY

IN THE MATTER OF THE APPLICATION)
OF EUGENE E. & SARAH E. PLATT)
(CENTRAL OREGON IRRIGATION DIST-)
RICT) FOR APPROVAL OF A CHANGE IN)
PLACE OF USE OF WATER)

ORDER APPROVING
TRANSFER NO. 4009

On August 1, 1978, Eugene E. and Sarah E. Platt filed an application in the office of the Water Resources Director for approval of a change in place of use of water from Deschutes River, pursuant to the provisions of ORS 540.510 to 540.530.

By Decree of the Circuit Court for Deschutes County, Oregon, entered September 30, 1958, In the Matter of the Determination of the Relative Rights to the Use of the Deschutes River and its Tributaries, a water right was established in the name of Central Oregon Irrigation District for the use of the waters of Deschutes River for irrigation of, among other lands, a certain 9.0 acres in SW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 24, Township 17 South, Range 14 East, W.M., being tabulated in the name of Tom Wallace, with dates of priority of October 31, 1900 and December 2, 1907, as evidenced by certificate of water right recorded at page 29052, Volume 21, State Record of Water Right Certificates. These lands also have a supplemental right under permit No. 23256 to the use of the water stored in Crane Prairie Reservoir with a date of priority of February 28, 1913. These lands are irrigated by means of the Central Oregon Canal.

The applicants herein, owners of the lands above described, propose to transfer the water right therefrom, without loss of priority, to a certain 9.0 acres in NE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 27, Township 17 South, Range 14 East, W.M.

The lands involved herein are within the boundaries of the Central Oregon Irrigation District and the Board of Directors of said District approved the proposed change in place of use of water at a regular meeting held March 2, 1977.

No objections having been filed and it appearing that the proposed change in place of use of water may be made without injury to existing rights, the application should be approved.

NOW, THEREFORE, it hereby is ORDERED that the requested change in place of use as described herein, without loss of priority, is approved.

V31, P264

It is FURTHER ORDERED that the said water so transferred shall be applied to beneficial use on or before October 1, 1980.

It is FURTHER ORDERED that upon receipt of proof satisfactory to the Water Resources Director of complete application of water to beneficial use on the lands to which the water is transferred hereby, a certificate of water right will be issued to the Central Oregon Irrigation District confirming this and prior changes within the District.

Dated at Salem, Oregon this 27th day of September, 1978.

James E. Sexson
Director
