Mr. Wayne Overcash
Water Resources Department
555 13th Street N. E.
Salem, Oregon 97310

Dear Mr. Overcash:

We would like to request at this time that all of the pending applications being held for the Tumalo Irrigation District be held until September 10, 1979, or until such time as we can provide the additional required documents for completion prior to that date. We have received recent letters from your office stating that two of the applications being held would be closed unless responses were received soon.

We are experiencing a critical period in personnel function and although we are scheduled to have additional office and administrative assistance on Board by September, this does not relieve the paperwork required to complete the backlog of transfer applications due to the degree of training necessary for preparation. If you could bear with us for this next month and a half, I am devoting from August 15 through September 10 entirely to transfer work and hope to clear up all pending applications submitted by that time. Mrs. Brown has not been with us since June 15. You may address all future correspondence to my attention.

Following is a summation, from our records, of the status of pending transfer applications:

#3307 Jack Vogt to Terrill, Hoisington, Larson

In process of voiding pending amended application of #3954.

#3954 Wall Investment Co.

Amended application to be processed (in process).

#3872 Marian Allen Cook to Various

Signature required from ex-husband, Lawrence Allen, of Texas; cooperation not forthcoming at this time. Sale is pending on property in our District which he owns and we have requested his signature to clear the water rights before we will affirm water rights with the title company or approve a county partition for division of the land. As his sale is pending in September, we hope to have this resolved at that time. All work is complete and his signature only is necessary to forward these documents to you.

Release statement from legal owners; copy of deed of ownership. Investigate interest by George Webb in this property.
