Dear Mr. Richards:

Pursuant to your request of December 8th, we are returning the application of Mr. Murray for a change in place of use of water, together with a blank form for your use in making application for a permit to appropriate water from Silver Creek on behalf of Mr. Brock.

I regret to advise that the examination fee in connection with Mr. Murray's application for a transfer cannot be returned, but the recording fee in the amount of \$6.35 may be returned or transferred to the application of Mr. Brock, when submitted.

Very truly yours,
