Re: COID-2026-04 Instream Lease Application

Dear Ms. Watson:

We represent the Confederated Tribes of the Warm Springs Reservation of Oregon (“Tribe”). Central Oregon Irrigation District (“COID”) has provided the Tribe with certain information concerning the COID-2026-04 Instream Lease Application, identified in **Appendix A** hereto (the “Application”).

The Tribe has reviewed the information about the Application provided by COID. The Tribe is relying in good faith upon the information provided by COID. Based on that information, the Tribe does not object to the Department of Water Resources (“Department”) processing the Application in accordance with applicable law, and the Department’s customary practice. The Tribe, however, expressly reserves, and does not waive, all rights, claims, and defenses that it may possess in connection with the Application, including, but not limited to, whether the Application violates the Treaty of June 25, 1855, with the Tribes of Middle Oregon, 12 Stat. 963, or the Confederated Tribes of the Warm Springs Reservation Water Rights Settlement Agreement, dated November 17, 1997, as amended.

Sincerely,

Alison K. Toivola

## INSTRUCTIONS:

This checklist is intended to facilitate the Department of Water Resources' ("Department") processing of water rights transfer applications within the Deschutes Basin for the 2026 calendar year. The Confederated Tribes of the Warm Springs Reservation of Oregon ("Tribe") has reviewed this checklist. The Tribe does not object to the Department's processing of any water rights transfer applications that meets a "Yes" of all applicable checklist items, and therefore satisfies the "Meets Requirements" category at the top of this checklist. When the checklist is so satisfied, the Department may process the application in accordance with applicable law, and the Department's customary practice.

Water rights transfer applications that meet all of the checklist criteria appear to present a low risk of injury to the Tribal Reserved Water Right as defined in the Confederated Tribes of the Warm Springs Reservation Water Rights Settlement Agreement, dated November 17, 1997, as amended. The Tribe does not waive its right to dispute or challenge any transfer application, whether or not they satisfy this checklist, on the basis that the transfer injures the Tribal Reserved Water Right or other federally-reserved water right held by the Tribe. The Tribe expressly reserves, and does not waive, all rights, claims, and defenses that it may possess in connection with the application, including, but not limited to, whether the application violates the Treaty of June 25, 1855, with the Tribes of Middle Oregon, 12 Stat. 963, or the Confederated Tribes of the Warm Springs Reservation Water Rights Settlement Agreement, dated November 17, 1997, as amended.

The Tribe further reserves the right to conduct additional analysis on any transfer that is submitted to the Department with a completed checklist. The Tribe reserves the right to consider, among other things, the risk of localized impacts, cumulative impacts, water quality, return flows, groundwater recharge, Habitat Conservation Plan flow augmentation agreements, water bank transactions, and additional analyses received from the Tribe's staff, Department, applicant, or third party.

A "temporary instream lease" is any instream lease lasting five (5) years or less.

This checklist applies to surface water transfers only. This checklist does not apply to groundwater transfers.

The following directors were present in person or via video conference:

Jim Boyer  
Patrick Brophy

Michael Henningsen  
Michael Parr  
Ron Saxton  
Blake Whitemore

Chris Alldredge, Jeff Boles, Mike Howell, Brian Kegg, and Justin West attended all or portions of the meeting. Tom Tongue of the law firm Schwabe, Williamson & Wyatt, P.C. attended the entire meeting. Mr. Henningsen chaired the meeting and Mr. Tongue kept the minutes.

1. Call to Order

Mr. Henningsen called the meeting to order at 8:00 a.m. Mr. Alldredge, Mr. Boles, Mr. Howell, Mr. Kegg, and Mr. West were present at the start of the meeting.

2. Safety Briefing

Mr. Howell provided the safety briefing for the Board.

3. Approval of Minutes

The Board approved the minutes from its regular meeting held on April 17, 2024.

4. CEO Report

Mr. Howell introduced Mr. Boles and Mr. Kegg. The Board received an update on the status of the Company’s ERP implementation, and reviewed the Company’s three-year vision statement. Mr. Howell summarized feedback from the employees. He concluded his presentation by noting that Parr Lumber was ranked as the 7<sup>th</sup> largest construction material supplier by the *LMB Journal*.

5. Status Reports

A. Cascade Wholesale

Mr. Parr provided the Board with an update on the efforts to improve Cascade’s margins. The Board reviewed the actions taken by Cascade to increase its margins. Mr. Parr felt confident that Cascade’s margins will continue to improve as new price increases take effect. The management team agreed to further quantify Cascade’s financial and non-financial contributions and refine their thoughts on how Cascade fits into the Company’s broader business strategy.

B. Purchasing

Mr. Boles introduced himself to the Board as the new Director of Purchasing. He discussed recent actions taken to restructure and realign the purchasing group and improve inventory management.

A member of the Board asked if Mr. Boles anticipated any concerns with ensuring the Company receives

accurate inventory reports from its managers. Mr. Boles confirmed that managers are expected to track and provide accurate inventory reports, and the Company conducts spot checks and inventory counts to verify information being reported.

Mr. Boles concluded with a summary of current and future actions the purchasing team will implement to further improve performance.

#### C. Sales

Mr. Kegg introduced himself. The Board discussed the effectiveness and importance of the Company's marketing strategy. Mr. Kegg reviewed year-to-date sales for each division compared to the same period in 2023 and the 2024 budget. He also discussed the sales outlook for the balance of 2024.

Mr. Henningsen thanked Mr. Boles and Mr. Kegg for their presentations before excusing them from the meeting. He then adjourned the meeting for a break at 9:40 a.m.

#### 6. A&E Committee Report

Mr. Henningsen called the meeting back to order at 9:50 a.m.

Mr. Alldredge provided the A&E Committee report. The Board reviewed the status of the Company's expansion and remodeling projects. Mr. Alldredge provided an update on the status of a confidential acquisition transaction referred to as Project Kimball.

#### 7. Financial Report

Mr. West provided the financial report. The Board reviewed year-to-date financial performance through May 2024 against the budget, and compared that to the same period in 2023. Overall, Mr. West felt the Company was operating efficiently and executing on the opportunities within its control, but would fall short of its budget for the year. The Board reviewed the Company's cash position and balance sheet.

#### 8. 2024 Stock Redemption Requests

Mr. West stated that the Company had received redemption requests from two shareholders for a total of 452 shares at the previously approved redemption price of \$4,746.00 per share. One of the requests exceeded the 15% limitation set forth in the Bylaws, but given the Company's strong cash position, Mr. West felt the Board could make an exception and accept all the requested redemptions. After discussion, the following motion was presented to the Board.

RESOLVED, that Company will redeem 452 shares from its shareholders, Marianne Moore and the Dawn V. Parr Administrative Trust, at a redemption price of \$4,746.00 per share.

RESOLVED, that after giving the distribution contemplated in the Redemption Agreement effect, in the judgment of the Board of Directors, as of the appropriate date described in ORS 60.181:

- (a) the Company will be able to pay its debts as they become due in the usual course of business; and
- (b) the Company's total assets will at least equal the sum of its total liabilities.

The motion passed unanimously.

#### 9. Bylaw Restatement

Mr. Tongue noted that the shareholders had approved an amendment to the Company's Second Amended and Restated Bylaws which sets the size of the Board at seven directors. He recommended that the Board approve a restatement of those Bylaws to consolidate that amendment into a single document. After discussion, the following motion was presented to the Board.

RESOLVED, that the Board approves the Third Amended and Restatement of the Company's bylaws.

The motion passed unanimously.

10. Election of Officers and Board Chair

The following motion was presented to the Board.
