**Re: Amended Application T-14775**

Dear Mr. Giffin, Ms. Henderson, and Mr. Frederick:

We represent the Confederated Tribes of the Warm Springs Reservation of Oregon (“Tribe”). The Oregon Water Resources Department (“Department”) has provided the Tribe with certain information concerning the amended Transfer Application T-14775, which is further identified in **Appendix A** hereto (“Application”).

The Tribe submitted an initial letter regarding the Application on January 28, 2026. Recently, the Department has advised the Tribe that the original application was amended. Accordingly, the Tribe has rescinded its original letter dated January 28, 2026. The Tribe now provides a new letter to address the Application, as revised.

The Tribe has reviewed the Application. The Tribe is relying in good faith upon the information provided by the Department. Based on that information, the Tribe does not object to the Department processing the Application in accordance with applicable law, and the Department’s customary practice. The Tribe expressly reserves, and does not waive, all rights, claims, and defenses that it may possess in connection with the Application, including, but not limited to, whether the Application violates the Treaty of June 25, 1855, with the Tribes of Middle Oregon, 12 Stat. 963, or the Confederated Tribes of the Warm Springs Reservation Water Rights Settlement Agreement, dated November 17, 1997, as amended.
