

**BEFORE THE WATER RESOURCES DEPARTMENT  
OF THE  
STATE OF OREGON**

In the Matter of Groundwater	)	PROPOSED FINAL ORDER PROPOSING
Registration Modification Application	)	APPROVAL OF RECOGNITION OF AN
T-13362, Marion County	)	ADDITIONAL POINT OF APPROPRIATION
	)	AND A MODIFICATION IN PLACE OF USE

**Authority**

Oregon Revised Statutes (ORS) 537.610, 537.705 and 540.505 to 540.580 establish the process in which the holder of a certificate of registration may submit a request for recognition of modifications to the place of use, character of use or point of appropriation under a groundwater certificate of registration.

Oregon Administrative Rules (OAR) Chapter 690, Divisions 382 and 380 implement the statutes and provide the Department's procedures and criteria for evaluating groundwater registration modification applications.

**Applicant**

OSPREY CORNER LLC  
PO BOX 4967  
KANSAS CITY, MO 64120

**Findings of Fact**

1. On February 4, 2020, Osprey Corner LLC filed a Groundwater Registration Modification (GR-Mod) application for an additional point of appropriation and to modify the place of use under Registration Application GR-2193 (Certificate of Registration GR-2098). The Department assigned the application number T-13362.
2. On January 22, 1992, Registration Application GR-2193 (Certificate of Registration GR-2098) was assigned from W.F. Weddle to Larry and Karen Wells.
3. On February 5, 2020, Registration Application GR-2193 (Certificate of Registration GR-2098) was assigned from Larry and Karen Wells to Osprey Corner LLC.

Under OAR 690-382-0900 and ORS 536.077(1), any person may file a protest of this Proposed Final Order within 45 days after publication of notice of this Proposed Final Order in the Department's weekly notice. Under OAR 690-382-0900 and ORS 536.077(2), if a protest is filed, any person who supports this Proposed Final Order may file a request for party status within 30 days after the deadline for filing a protest. Please refer to the end of this document for further information about filing protests and requests for party status.

4. Notice of the application GR-Mod was published on February 11, 2020, pursuant to OAR 690-382-0600. No comments were filed in response to the notice.
5. On December 31, 2025, the Department mailed a copy of the Initial Review proposing to approve GR-Mod Application T-13362 to the applicant. The Initial Review cover letter set forth a deadline of January 31, 2026, for the applicant to respond. The applicant requested that the Department proceed with issuance of a Proposed Final Order and provided the necessary information to demonstrate that the applicant is authorized to pursue the transfer.
6. The groundwater registration to be modified is as follows:

**Registration:** Application GR-2193 (Certificate of Registration GR-2098), in the name of W.F. WEDDLE (*assigned to OSPREY CORNER LLC*)

**Use:** IRRIGATION of 25.0 ACRES

**Tentative**

**Priority Date:** 1948

**Quantity:** 360 GALLONS PER MINUTE

**Duty:** 2 ACRE FEET PER YEAR

**Source:** PUMP WELL #2

**Original Point of Appropriation:**

Twp	Rng	Mer	Sec	Q-Q	Measured Distances
10 S	3 W	WM	14	NE NE	PUMP WELL #2 - 929 FEET SOUTH AND 610 FEET WEST FROM THE NE CORNER OF SECTION 14

**Original Place of Use:**

IRRIGATION						
Twp	Rng	Mer	Sec	Q-Q	Acres	Proposed Modification
10 S	3 W	WM	14	NE NE	14.5	APOA
10 S	3 W	WM	14	NE NE	2.5	POU/APOA
10 S	3 W	WM	14	SE NE	6.0	APOA
10 S	3 W	WM	14	SE NE	2.0	POU/APOA
Total					25.0	

7. Pump Well #2 is identified as North Well by the applicant. The measured distance of North Well on the Certificate of Registration for GR-2098 was based on a faulty section line measured off of Weddle Road. The measured distances described below are a clarification of the actual location of Pump Well #2 on the ground, which is provided by the applicant's agent as follows:

Twp	Rng	Mer	Sec	Q-Q	Measured Distances
10 S	3 W	WM	14	NE NE	NORTH WELL - 1190 FEET SOUTH AND 800 FEET WEST FROM THE NE CORNER OF SECTION 14

8. Groundwater Registration Modification Application T-13362 proposes an additional point of appropriation approximately 0.3 mile Southwest from the original well to:

Twp	Rng	Mer	Sec	Q-Q	Measured Distances
10 S	3 W	WM	14	SE NE	SOUTH WELL - 2560 FEET SOUTH AND 1210 FEET WEST FROM THE NE CORNER OF SECTION 14

9. Groundwater Registration Modification Application T-13362 proposes to modify the place of use under the groundwater registration to:

IRRIGATION						
Twp	Rng	Mer	Sec	Q-Q	Acres	Type of change
10 S	3 W	WM	13	NW SW	1.7	POU/APOA
10 S	3 W	WM	14	NE NE	0.45	POU/APOA
10 S	3 W	WM	14	NW NE	0.15	POU/APOA
10 S	3 W	WM	14	NE SE	2.2	POU/APOA
Total					4.5	

**Review Criteria for Groundwater Registration Modification Applications**

**[OAR 690-382-0100(10), 690-382-0700(2), 690-382-1000(1), 690-380-2110(2), and 690-380-2200]**

10. The proposed modifications would not result in a state Scenic Waterway not receiving previously available water during periods in which stream flows are less than the quantities determined by the Department to be necessary to meet the requirements of ORS 390.835.
11. The proposed point of appropriation develops groundwater from the same aquifer as the authorized point of appropriation, as required by OAR 690-380-2110(2).
12. The proposed modifications would not result in enlargement of the registration.
13. The proposed modifications would not result in injury to other water rights.
14. All other application requirements are met.

**Determination and Proposed Action**

The additional point of appropriation and the modification in place of use proposed in GR-Mod T-13362 appear to be consistent with the requirements of ORS 537.610, 537.705, 540.505 to 540.580 and OAR 690-382-1000. If protests are not filed pursuant to OAR 690-382-0900, the modification will be approved.

*If GR-Mod T-13362 is approved, the final order will include the following:*

1. *The modifications to Registration Application GR-2193 (Certificate of Registration GR-2098) proposed in Groundwater Registration Modification Application T-13362 are recognized. Recognition of the modifications shall not be construed as a final determination of the right to appropriate groundwater under the certificate of registration*

or modification. Such a determination will occur in an adjudication proceeding under ORS 537.670 to 537.695.

2. *The use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Registration Application GR-2193 (Certificate of Registration GR-2098) and any related decree.*
3. *Approval of this GR-Mod application does not constitute nor grant legal access onto or through another person's property for purposes of accessing the new point of appropriation and the new place of use.*
4. *Water shall be acquired from the same aquifer (water source) as the original point of appropriation.*
5. *The combined quantity of water diverted at the proposed additional point of appropriation (South Well), together with that diverted at the original point of appropriation (Pump Well #2 (aka North Well)), shall not exceed the quantity of water lawfully available at the original point of appropriation (Pump Well #2 (aka North Well)).*
6. *The former place of use of the modified groundwater registration shall no longer receive water as part of the groundwater certificate of registration.*

Oregon Water Resources Department

This Proposed Final Order was prepared by Elyse Hennen. If you have questions about the information in this document, you may reach me at 971-701-5485 or at [elyse.d.hennen@water.oregon.gov](mailto:elyse.d.hennen@water.oregon.gov).

**Pursuant to ORS 536.077(4) and (5), if no protest of this Proposed Final Order is received by July 24, 2026, and the Department does not withdraw this Proposed Final Order on or before August 26, 2026, this Proposed Final Order is a final order without any further action by the Department on August 26, 2026.**

### **Protests and Requests for Party Status**

The following sections explain how to: (1) file a protest in opposition to this Proposed Final Order to request a contested case hearing on this Proposed Final Order; and (2) file a request

for party status to request to participate in any contested case proceeding in support of this Proposed Final Order.

**Protests:** Under the provisions of OAR 690-382-0900 and ORS 536.077(1), any person may protest this Proposed Final Order. Protests may be mailed or hand delivered to the Oregon Water Resources Department at 725 Summer Street NE, Suite A, Salem, OR 97301. If you submit a protest by U.S. mail, please consider mailing early to ensure the Department receives the protest by the deadline. Protests may be emailed to [will.davidson@water.oregon.gov](mailto:will.davidson@water.oregon.gov), but payment of Protest fees cannot be accepted electronically and must be received by the Department by mail or hand delivery prior to the deadline. Protests and protest fees must be received by the Water Resources Department no later than **July 24, 2026**.

**Protests must meet the following requirements:**

- Be in writing;
- Include the protestant's name, address, telephone number, and email address, if the protestant has an email address;
- Include the name, address, telephone number, and email address of the protestant's attorney, if the protestant is represented by an attorney;
- Include a description of the protestant's interest in the Proposed Final Order, and, if the protestant claims to represent the public interest, a precise statement of the public interest represented;
- Include a detailed description of how the action proposed in the Proposed Final Order would impair or be detrimental to the protestant's interest and/or the claimed public interest;
- Identify which of the Proposed Final Order's recommended findings of fact, conclusions of law or conditions of approval the protestant objects to;
- Raise all reasonably ascertainable issues and include all reasonably available arguments that support the protestant's position;
- Include any citation of legal authority to support the protest, if known;
- Explain how the issues raised in the protest are within the Department's jurisdiction;
- If the protestant is the applicant, include a protest fee of \$720 required by ORS 536.050; and
- If the protestant is not the applicant, include a protest fee of \$1,425 required by ORS 536.050.

**Requests for Party Status:** Under the provisions of OAR 690-382-0900 and ORS 536.077(2), if this Proposed Final Order is protested, any person who supports this Proposed Final Order may file a request for party status to request to participate in any contested case proceeding on the Proposed Final Order or for judicial review of a final order resulting from the Proposed Final Order. There is no need for the applicant to file a request for party status. The applicant

will automatically be a party to any contested case proceeding on this Proposed Final Order. Requests for party status may be mailed or hand delivered to the Oregon Water Resources Department at 725 Summer Street NE, Suite A, Salem, OR 97301. If you submit a request for party status by U.S. mail, please consider mailing early to ensure the Department receives the request by the deadline. Requests for party status may be emailed to [will.d.davidson@water.oregon.gov](mailto:will.d.davidson@water.oregon.gov), but payment of request for party status fees cannot be accepted electronically and must be received by the Department by mail or hand delivery prior to the deadline. Requests for party status and request for party status fees must be received by the Water Resources Department no later than **August 24, 2026**.

**Requests for party status must be in writing and include the following:**

- Names, addresses, and email addresses (if any) of the requestor and any organization the requestor represents;
- Name, address, and email address of the requestor's attorney, if any;
- A statement of whether the request is for participation as a party or a limited party, and, if as a limited party, the precise area or areas in which participation is sought;
- If the requestor seeks to protect a personal interest in the outcome of any contested case hearing on the Proposed Final Order, a detailed statement of the requestor's interest, economic or otherwise, and how such interest may be affected by the results of the hearing;
- If the requestor seeks to represent a public interest in the results of any contested case hearing on the Proposed Final Order, a detailed statement of such public interest, the manner in which such public interest will be affected by the results of the hearing, and the requestor's qualifications to represent such public interest;
- A statement of the reasons why existing parties to the proceeding cannot adequately represent the private and/or public interest(s) the requestor seeks to represent; and
- The request for party status fee of \$1,425 required by ORS 536.077(2)(b)(C) and ORS 536.050.

After the deadline for requests for party status, the Department will provide copies of any timely requests for party status, accept responses to requests for party status, and consider and rule on timely requests for party status as provided in OAR 690-002-0225.

**Additional Notices**

***Notice of requirement to provide updated contact information:*** Parties must timely provide the Department with updated contact information, including any change of address or primary means of electronic communication. The contact information provided in the protest or request for party status, as applicable, is presumed to be valid for the purposes of service and notification of upcoming referral to the Office of Administrative Hearings unless timely updated by the party. OAR 609-002-0081.

***Notice of the circumstances under which this Proposed Final Order will become a final order:***

If no protest of this Proposed Final Order is timely received and the Department does not withdraw this Proposed Final Order for reconsideration within 33 days after the close of the period for submitting a protest, this Proposed Final Order will become a final order on the date that is 33 days after the close of the period for submitting a protest, with no further action required by the Department. If a protest or protests are timely received, but later: (1) all timely-filed protests are withdrawn and the withdrawals are not based on a settlement agreement requiring changes to this Proposed Final Order; (2) all protestants fail to appear at a scheduled hearing; or (3) all protestants notify the Department or the administrative law judge that the protestants will not appear at a scheduled hearing, the protestants will have waived any right to a hearing, and the Department or the administrative law judge will issue an order dismissing the protests and notifying the parties that this Proposed Final Order has become a final order. OAR 690-002-0235; OAR 137-003-0672. The Department designates the relevant portions of its file on this matter, including all materials that you have submitted relating to this matter, as the record for the purpose of proving a prima facie case upon default. OAR 137-003-0672.

***Notice of right to be represented by an attorney:*** You may be represented by an attorney at any contested case hearing on this Proposed Final Order. Legal aid organizations may be able to assist a party with limited financial resources. Generally, partnerships, corporations, associations, governmental subdivisions or public or private organizations are represented by an attorney. However, consistent with OAR 690-002-0020 and OAR 137-003-0555, an “authorized representative” as defined at OAR 137-003-0555(1)(b) may represent a partnership, corporation, association, governmental subdivision or public or private organization if the Department determines that appearance of a person by an authorized representative will not hinder the orderly and timely development of the record in this case.

***Notice to active duty servicemembers:*** Active-duty service members have a right to stay proceedings under the federal Service Members Civil Relief Act. 50 U.S.C. App. §§501-597b. For more information contact the Oregon State Bar at 800-452-8260, the Oregon Military Department at 971-355-4127, or the nearest United States Armed Forces Legal Assistance Office through <http://legalassistance.law.af.mil>.

If you have questions about how to file a protest or a request for party status, or if you have previously filed a protest or a request for party status and you want to know the status, please contact Will Davidson at 503-507-2749.

If you have questions about the Department or any of its programs, please contact our Water Resources Customer Service Group at 503-986-0900.

SUBJECT: Groundwater Registration Modification T-13362

Please find enclosed the Proposed Final Order indicating that, based on the information available, the Department intends to approve application T-13362. This document is an intermediate step in the approval process; water may not be used legally as proposed in the groundwater registration modification application until a Final Order has been issued by the Department. Please read this entire letter carefully to determine your responsibility for additional action.

A public notice is being published in the Department's weekly publication and in the Woodburn Independent newspaper, simultaneously with issuance of the Proposed Final Order. The notice initiates a period in which any person may file either a protest opposing the decision proposed by the Department in the Proposed Final Order or a request for party status supporting the Department's decision. The protest period will end 45 days after the Department's notice.

**If no protest is filed, the Proposed Final Order will become a Final Order 33 days after the protest period end, without any further action by the Department.**

If a protest is filed, the application may be referred to a contested case proceeding. A contested case provides an opportunity for the proponents and opponents of the decision proposed in the Proposed Final Order to present information and arguments supporting their position in a quasi-judicial proceeding.

Please do not hesitate to contact me at 971-701-5485 or [Elyse.D.Hennen@water.oregon.gov](mailto:Elyse.D.Hennen@water.oregon.gov) if I may be of assistance.

Sincerely,

Elyse Hennen
