In the Matter of Transfer Application	)	FINAL ORDER APPROVING
T-14775, Deschutes County	)	A DISTRICT PERMANENT TRANSFER FOR
	)	CHANGES IN PLACES OF USE

Authority

Oregon Revised Statutes (ORS) 540.570 to 540.580 establishes the process in which a district may submit a request to transfer a water right within district boundaries. Oregon Administrative Rule (OAR) Chapter 690, Division 385 implements the statutes and provides the Department's procedures and criteria for evaluating district transfer applications.

Applicant

TUMALO IRRIGATION DISTRICT
64697 COOK AVE
BEND, OR 97703

Findings of Fact

1. On December 11, 2025, Tumalo Irrigation District (TID) filed a district transfer application to permanently change the places of use under Certificates 95175, 95176, 95177, 95178, and 74149. The Department assigned the application number T-14775.
2. Notice of the District Permanent Transfer Application was published on December 23, 2025, pursuant to ORS 540.580 and OAR 690-385-4400. No comments were filed in response to the notices.
3. On January 27, 2026, TID amended the application to remove District Internal Notices N25.004 and N25.007.
4. On January 28, 2026, the Department received correspondence from Alison K. Toivola, Attorney for the Confederated Tribes of the Warm Springs Reservation of Oregon (Tribe). However, the Tribe rescinded the correspondence on February 4, 2026, to review amendments made to the application.

This final order is in a contested case and is subject to judicial review by the Court of Appeals under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482(1). Pursuant to ORS 536.075(2) and OAR 137-003-0675, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Within 20 days after this final order is issued (i.e., mailing date), the district or any protestant may file with the commission exceptions to the final order. The commission shall issue an order granting or denying the exceptions within 30 days after receiving the exceptions. ORS 540.580(10).

5. On February 3, 2026, TID provided an amended application map that addressed conflict with Certificate 95534.
6. On February 10, 2026, the Department received new correspondence from the Tribe after reviewing the amended application and does not object to the Department processing the Transfer Application T-14775, in accordance with applicable law, and the Department's customary practice.
