Authority

Oregon Revised Statutes (ORS) 540.570 to 540.580 establish the process in which a district may submit a request to transfer a water right within district boundaries. Oregon Administrative Rule (OAR) Chapter 690, Division 385 implements the statutes and provides the Department's procedures and criteria for evaluating district transfer applications.

Findings of Fact

1. On December 26, 2025, Swalley Irrigation District (SID) filed a district transfer application to permanently change the place of use under Certificate 98280. The Department assigned the application number T-14797.
2. Notice of the District Permanent Transfer Application was published on January 6, 2026, pursuant to ORS 540.580 and OAR 690-385-4400. No comments were filed in response to the notice.
3. On February 10, 2026, the Department received correspondence from Alison K. Toivola, Attorney for the Confederated Tribes of the Warm Springs Reservation of Oregon (Tribe). The Tribe does not object to the Department processing the Transfer Application T-14797, in accordance with applicable law, and the Department's customary practice.
4. The portion of the right to be transferred is as follows:

Certificate:	98280 in the name of SWALLEY IRRIGATION DISTRICT (confirmed by decree of the Circuit Court of the State of Oregon for Deschutes County)

A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Within 20 days after this final order is issued (i.e., mailing date), the district or any protestant may file with the commission exceptions to the final order. The commission shall issue an order granting or denying the exceptions within 30 days after receiving the exceptions. ORS 540.580(10).
