Dear Mr. & Mrs. Topping:

Ref. file: I-5830

I have recently acquired the transfer program for the Department. I apologize for the long delay in responding to Jeans' letter of January 11, 1988 about transfer 5830.

The map and listing do not agree. I am enclosing the map and listing sent January 11 along with a copy of the map from I-3527 for your reference. Please resolve the differences and return so we may conclude this long overdue transfer. I am also including copies of the September 30, 1986 and October 27, 1986 letters to refresh your memory.

The required public notice cannot be made out until the list and map are complete.

If you have any questions please call.

Sincerely,

Bruce A. Estes, PLS, CWRE
