

WATER RESOURCES DEPARTMENT

INTEROFFICE MEMO

September 28, 1995

TO: Fiscal Section  
FROM: Larry Nunn, Transfer Specialist  
SUBJECT: Transfer 7031 and File 72441

In a meeting with Steve Sanders and Steve Applegate, we decided to change our mind again. We will process file 72441, instead of Exchange 7031.

Therefore the fees will need to be moved back to file 72441.

Please move \$292.00 from file Transfer E-7031, Receipt 87525, to file 72441. This move is made to re-open File 72441 and close Transfer File E-7031.
