# Application for Short-Term Instream Lease Renewal

A summary of review criteria and procedures that are generally applicable to these applications is available at [www.wrd.state.or.us/publication/reports/index.shtml](http://www.wrd.state.or.us/publication/reports/index.shtml).

The undersigned entered into Instream Lease Number L-668 involving Water Right Certificate(s) 81461, 81462, 81463, 81464, and 81465 on July 18, 2005, which expired on November 30, 2005.

The undersigned Lessor and Lessee, parties to the original lease, hereby request that Lease Number L-668 be renewed. Lessor and Lessee warrant that, to the best of their knowledge, circumstances have not changed and all matters involved with or affected by the instream lease and the subject water right(s) remain as they were when the lease was first entered into, including but not limited to ownership of the lands to which the water right(s) is/are appurtenant, the acres from which the right is leased, and the public instream benefit provided as a result of this instream lease.

The terms and conditions of instream lease L-668 are hereby incorporated by reference in their entirety, with the following exception(s):

- The term of the lease shall commence on February 1, 2006 (not before execution by the parties) and continue through November 30, 2010
- Certificate 81580 replaces Certificate 81465. (Certificate 81465 has been cancelled, a correcting certificate, 81525 was issued, which was then superseded by Certificate 81580, which corrected a scrivener's error in Certificate 81525.).
- The Deschutes River Conservancy is not the lessee.

**CREP.** Are some or all of the lands being leased part of a Conservation Reserve Enhancement Program?

Yes } *All water rights for all of the certificates listed above are being leased in their entirety for CREP*
