

INSTREAM LEASE RENEWAL

Instream Lease number (9830.02) # 70 was entered into by the undersigned on August 12th, 1998 for a lease term beginning September 1st, 1998 and ending September 1st, 2000.

As right holder and lessor, I here state that circumstances have not changed and that all matters involved with or affected by the instream lease and the subject water right(s) remain as they were when the lease was first entered into, including but not limited to ownership of the lands to which the water right is appurtenant, the validity of the water right is leased instream, the number of acres which have not been irrigated as a result of the instream lease, and the public instream benefit provided as a result of this instream lease.

The terms and conditions of instream lease # 70 are hereby incorporated by reference in their entirety, with the exception of the term of the lease, which we hereby renew for a term beginning September 1st, 2000 and ending September 1st, 2002.

This instream lease is part of a Conservation Reserve Enhancement Program (CREP).
