- IV. Enclosed is a map for each proposed change in place of use meeting the standards of OAR Chapter 690, Division 385.
- V. The water right proposed for transfer is a water right subject to transfer and has not been forfeited for nonuse under ORS 540.610.
- VI. Each user affected by the proposed transfer has provided written authorization for the transfer and such authorization is on file with the district.
- VII. The district has notified each affected user that the Department may condition or reject the transfer at any time to the extent necessary to avoid injury to an existing water right, and that the use of water on lands from which the water right is transferred (authorized place of use) and at the proposed place of use during the same irrigation season or calendar year may subject both the user and district to civil penalties.
- VIII. Enclosed is the application fee in the amount of:     \$260.80    .

I certify that the information contained in this district temporary transfer application is true and accurate.
