The undersigned entered into Instream Lease Number 92 on July 15, 1999, which expired on October 31, 1999.

The undersigned Lessor and Lessee, parties to the original lease, hereby request that Lease Number 92 be renewed. Lessor and Lessee warrant that, to the best of their knowledge, circumstances have not changed and all matters involved with or affected by the instream lease and the subject water right(s) remain as they were when the lease was first entered into, including but not limited to ownership of the lands to which the water right(s) is/are appurtenant, the acres from which the right is leased, and the public instream benefit provided as a result of this instream lease.

The terms and conditions of instream lease 92 are hereby incorporated by reference in their entirety, with the following exception(s):

- The term of the lease, shall commence on March 1, 2000 (not before execution by the parties) and continue through October 31, 2001.
- The instream flow will be allocated on a daily average basis up to the described rate from May 19 until October 29, or until such time that the total duty for the irrigation season is met. Instream use period has been diminished to 164 days to insure the duty limitation is not exceeded during the period of use described above.
- A new Exhibit E is attached.

This instream lease is part of a Conservation Reserve Enhancement Program (CREP).
