# Application for Instream Lease Renewal

A summary of review criteria and procedures that are generally applicable to these applications is available at [www.wrd.state.or.us/OWRD/PUBS/forms.shtml](http://www.wrd.state.or.us/OWRD/PUBS/forms.shtml).

The undersigned entered into Instream Lease Number L-492 involving Water Right Certificate(s) 24052 on May 17, 2004, which terminated on October 31, 2008.

The undersigned Lessor and Lessee, parties to the original lease, hereby request that Lease Number L-492 be renewed. Lessor and Lessee warrant that, to the best of their knowledge, circumstances have not changed and all matters involved with or affected by the instream lease and the subject water right(s) remain as they were when the lease was first entered into, including but not limited to water right holder interest, the acres from which the right is leased, and the public instream benefit provided as a result of this instream lease.

The terms and conditions of instream lease L-492 are hereby incorporated by reference in their entirety, with the following exception(s):

- The term of the lease shall commence on March 1, 2009 (not before execution by the parties) and continue through October 31, 2013
- For multiyear leases, the Lessor(s) shall have the option of terminating the lease each year with written notice to the Department. The lease may be terminated at any time during the calendar year. However, if the termination request is received less than 30-days prior to the period of allowed instream use or after the period of allowed use has begun for the water right(s) being leased, water may not be used under the right(s) leased until the following calendar year, unless the Director determines that enlargement would not occur.

**CREP.** Are some or all of the lands being leased part of a Conservation Reserve Enhancement Program?

- Yes  
 No

**Fees.** Pursuant to ORS 536.050, the following fee is included:

- \$50 for an instream lease renewal application.
