Water Right Transfer Supplemental Form B
AFFIDAVIT ATTESTING TO THE USE OF WATER

State of Oregon)
) ss
County of Deschutes _____)

I, Cary D. Penhollow, in my capacity as District Watermaster,
mailing address 1055 SW Lake Court, Redmond, OR 97756
telephone number (541) 548-6047, being first duly sworn depose and say:

1. I attest that:

- Water was used during the previous five years on the entire authorized place of use of the water right proposed for transfer as described on the accompanying transfer application; or
- The water right was leased instream at some time within the last five years. The instream lease number is as follows: or
- The water right is not subject to forfeiture and documentation that a presumption of forfeiture for non-use would be rebutted under ORS 540.610(2) is attached.

2. My knowledge of the exercise or status of the water right is based on (check one):

- Personal observation
- Professional expertise

3. My knowledge is specific to the use of water at the following locations:

Township	Range	Mer	Sec	1/4 1/4 Section	Gov't Lot or DLC	Acres (if applicable)
						See attached Spreadsheet

RECEIVED

MAR 12 2009

WATER RESOURCES DEPT
SALEM, OREGON

4. The water right was exercised for the authorized purpose described below (e.g., crops grown):

See Attached Spreadsheet and corresponding exhibits

5. The water delivery system used to apply water as authorized by the right is described below:

See Attached Spreadsheet and corresponding exhibits

6. One or more of the following documentation supporting the above statements is attached:

- Copy of a water right certificate that was issued within the last five years (not a remaining right certificate),
- Copies of receipts from sales of irrigated crops or for expenditures relating to the use of water,
- Records such as Farm Service Agency crop reports, irrigation district records, an NRCS farm management plan, or records of other water suppliers,
- Dated aerial photographs of the lands or other photographs containing sufficient detail to establish the location and date of the photograph,
- Dedicated power usage records or receipts,
- Instream lease number ,
- Other: See Attached Spreadsheet and corresponding exhibits

Cary D. Penhallow
Signature of Affiant

Water Right Transfer Supplemental Form B
AFFIDAVIT ATTESTING TO THE USE OF WATER

State of Oregon)
) ss
 County of Deschutes _____)

I, Ronald Hulbert, in my capacity as Central Oregon Irrigation District Watermaster (now retired),

mailing address: 802 Centeridge Dr, Culver, OR 97734

telephone number (541) 546-7133, being first duly sworn depose and say:

1. I attest that:

- Water was used during the previous five years on the entire authorized place of use of the water right proposed for transfer as described on the accompanying transfer application; **or**
- The water right was leased instream at some time within the last five years. The instream lease number is as follows: _____; **or**
- The water right is not subject to forfeiture and documentation that a presumption of forfeiture for non-use would be rebutted under ORS 540.610(2) is attached.

2. My knowledge of the exercise or status of the water right is based on (check one):

- Personal observation
- Professional expertise

3. My knowledge is specific to the use of water at the following locations:

Township		Range		Mer	Sec	¼ ¼ Section		Gov't Lot or DLC	Acres (if applicable)
15	S	13	E	WM	30	NW	NW	TL 906	1.50

4. The water right was exercised for the authorized purpose described below (e.g., crops grown):

Irrigation of pasture grass

5. The water delivery system used to apply water as authorized by the right is described below:

Delivered through B-3-1-1

6. One or more of the following documentation supporting the above statements is attached:

- Copy of a water right certificate that was issued within the last five years (not a remaining right certificate),
- Copies of receipts from sales of irrigated crops or for expenditures relating to the use of water,
- Records such as Farm Service Agency crop reports, irrigation district records, an NRCS farm management plan, or records of other water suppliers,
- Dated aerial photographs of the lands or other photographs containing sufficient detail to establish the location and date of the photograph,
- Dedicated power usage records or receipts,
- Instream lease number _____,
- Other: Visual inspection of property in August 2004 confirming the use of the water right while in my capacity as Central Oregon Irrigation District Watermaster
