**Before submitting your application to the Department, be sure you have:**

- Answered each question completely.
- Included all the required attachments.
- Provided original signatures for **all** named deed holders, or other parties, with an interest in the water right.
- Included a check payable to the Oregon Water Resources Department for the appropriate amount.

**12. SIGNATURES**

- Check *one* of the following, as appropriate, and sign the application in the signature box below:

In accordance with OAR 690-380-3000(13)(a), I (we) understand that prior to Department approval of a permanent transfer and upon my receipt of a draft Preliminary Determination for the proposed transfer, I (we) will be required [pursuant to OAR 690-380-4010(5) and (6)] to provide the following landownership information and evidence demonstrating that I (we) am authorized to pursue the transfer:

- (a) A report of ownership information that has been prepared by a title company within the three months prior to the issuance of the draft Preliminary Determination showing current land ownership of the subject lands, unless there is a recorded water right conveyance agreement;
- (b) If applicable, a copy of any water right conveyance agreement on the subject lands. If a water right conveyance agreement has been recorded for the subject lands, the report of ownership information must be prepared by a title company within the three months of the water right conveyance agreement being recorded or show ownership of the subject property at the time the water right conveyance agreement was recorded; and
- (c) If the landowner identified in the report of ownership information or the individual or entity to whom the interest in the water right has been conveyed is **not** the applicant, a **notarized statement consenting to the transfer** signed by the landowner identified in the report or an authorized representative of the entity to whom the interest in the water right has been conveyed as identified in a water right conveyance agreement, or other documentation demonstrating that the applicant is authorized to pursue the transfer in the absence of the consent of the landowner.

I (we) affirm that the applicant is a municipality, as defined in ORS 540.510(3)(b), and that the right is in the name of the municipality or a predecessor. Therefore, pursuant to OAR 690-380-3000(13)(b), the applicant is **NOT** required to provide the above described report of ownership information.

I (we) affirm that the applicant is an entity with the authority to condemn property and is acquiring the property to which the water right proposed for transfer is appurtenant by condemnation. Documentation is provided with this application supporting this statement. Therefore, pursuant to OAR 690-380-3000(13)(c), the applicant is **NOT** required to provide the above described report of ownership information. (NOTE: Such an entity may only apply for a transfer under this subsection if it has filed a condemnation action to acquire the property.

I (we) affirm that this is a temporary transfer and a copy of the deed for the "from" land (and affidavits of consent from any other landowners, if applicable) is enclosed.

I (we) affirm that this is a historic point of diversion transfer and that I (we) must provide a report of current ownership prepared by a title company prior to the Department finalizing my request.

- I (we) affirm that the information contained in this application is true and accurate.
