

Land Dredged by Sumpter Valley Dredge, mainly in 1942 and 1945, through the Hawley Ranch, of which it is desired to transfer water rights to land north of this area.

Total acres dredged by Sumpter Valley Dredge = 113.98

Figures indicate acres.

Scale: 1 inch = 400 feet

All in Sections 10-11-12, T10S, R37E, W.M.

The map is based on A.H. Woodwell's surveys and maps made for the Sumpter Valley Dredging Company.

June 23, 1946
