

MAP OF A PORTION OF
SECTION 21, T.18 S, R.47 E. W.M.

To accompany application for the appropriation of water from the Owyhee Ditch, to be used for irrigation on a portion of Section 21, T.18 S, R.47 E. W.M.

ENGINEERS CERTIFICATE

I, Melvin V. Davenport, a registered Professional Engineer of Caldwell, Idaho do hereby certify that this map was made from notes taken during an actual survey made under my supervision on Feb 27, and 28 and March 1, 1961; that the SW. Cor. of Sec. 20 is a Brass Monument flush with the surface of the highway and the other survey corners are as indicated on this map.
