Reference: Transfer T-8471

The assignment by proof from Deborah Lee and Alexander Schroeder to Jacob Felten has been recorded in the records of the Water Resources Department.

The Departments records will now show Jacob Felten as the transfer holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 139429 covering the recording fee is also enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Please note that this transfer required complete application of water to the proposed use by October 1, 2005, and within one year after complete application of water to the proposed use, the transfer holder(s) of record shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). A Claim of Beneficial Use was received by the Department on October 27, 2022, and is currently pending review.

Sincerely,

Mary F. Bjork
