Mr. Percy A. Cupper,

Dear Sir:

Find enclosed application of Alfred Doerner for water to be taken from the ditch of the Wilderville Irrigation Co., in which ditch I understand he has purchased stock and they are willing for him to take water from said ditch.

Some time ago Mr. Doerner made application for water from Slate Creek to irrigate 37 acres by pumping, but he found that it was impractical and only proved up on 9 acres for which a certificate has been issued, and the 25 acres are in addition to said 9 acres, and he can easily cover his land from the Wilderville Irrigation Co.'s ditch.

Yours very truly,

M. L. Opdycke
