Application History

Permit G-17884 was issued by the Department on February 7, 2013. The permit specified completion of construction and complete application of water to beneficial use by February 7, 2018. On October 27, 2022, Richard Brunader submitted an Application for Extension of Time for Permit G-17884. In accordance with OAR 690-315-0050(2), on December 13, 2022, the Department issued a Proposed Final Order proposing to extend the time to complete construction to October 1, 2023, and the time to fully apply water to beneficial use to October 1, 2023. The protest period closed January 27, 2023, in accordance with OAR 690-315-0060(1). No protest was filed.

FINDINGS OF FACT

The Department adopts and incorporates by reference the findings of fact in the Proposed Final Order dated December 13, 2022.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, any comments received, and information within the file, the permit may be extended subject to no additional conditions.

CONCLUSION OF LAW

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).

ORDER

The extension of time for Application G-17559, Permit G-17884, therefore, is approved. The deadline for completing construction is extended from February 7, 2018, to October 1, 2023. The deadline for applying water to full beneficial use within the terms and conditions of the permit is extended from February 7, 2018, to October 1, 2023.
