Dear Sir and Madam:

This acknowledges receipt of Form C, being notice of complete application of water under your Permit No. 16965.

Pursuant to your report and in line with the general practice of this office, a survey will be made at a later date for the purpose of checking the acreage actually irrigated. After this survey, proof may be made by you and certificate issued covering the lands which the survey shows to have been irrigated, and any lands described in your permit that have not been irrigated will be automatically eliminated from your water right.

In the meantime, the permit which you hold will be valid evidence of your water right.

Yours very truly,
