Subject: Surface Water Right E-Application for Brad and Bethany Ford (3 of 3)

Good afternoon,

GSI Water Solutions, Inc. is electronically submitting the attached permit application to use stored surface water for irrigation, on behalf of Brad and Bethany Ford. This is the **third of three** applications we are submitting in the name of two different applicants: the McKibben Trust and Brad and Bethany Ford. Because the applicants share water from the same reservoir, **we ask that all three applications be processed together** by the same caseworker. The permit application fee of \$2,047.00 will be mailed to the department after we receive the temporary application number.

Please let me know if you have any questions.

Thank you,

Mikaela Clarke
