Mr. Andrew Potocnick
Harbor, Oregon

Dear Mr. Potocnick:

Your final proof of appropriation of water under Permit No. 16367 has been received in this office and found acceptable. Receipt is also acknowledged of the certificate recording fee of \$1.00, for which Receipt No. 9550 is enclosed.

The matter of final confirmation of your right by issuance of a water right certificate will be given consideration with the next group which will be issued at a later date. When the certificate is issued, it will be mailed to your county clerk for recording and then delivered by him to you.

Very truly yours,

CHAS. E. STRICKLIN
State Engineer

Mr. Andrew Potocnick
Harbor, Oregon

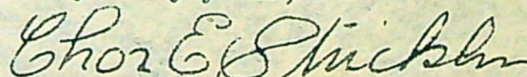

Dear Sir:

If you will sign and date the enclosed final proof on its second sheet and return the proof to this office, together with the statutory certificate recording fee of \$1.00, a certificate confirming the right under your Permit No. 10387, granting the right to the use of 0.03 second-foot of water from an unnamed spring, tributary of O'Laughlin Gulch for domestic use for three families.

These figures indicate the extent and limit of your water right as provided by law, and mark the completed right.

In the interest of economy and due to the fact that your completed project was examined by a representative of this office, it is not considered necessary that your signature be made before a notary public, nor that the signatures of witnesses be affixed to the proof.

Very truly yours,

CHAS. E. STRICKLIN
State Engineer

Form 114

October 13, 1947

Mr. Andrew Potocnick
Harbor, Oregon

Dear Mr. Potocnick:

This will acknowledge receipt of Forms B and C, being notices of the completion of construction and complete application of water under your Permit No. 16367.

Pursuant to your reports and in line with the general practice of this office, a survey will be made at a later date for the purpose of checking the amount of water used as described in the permit. After this survey, proof may be made by you and certificate issued covering the actual use of water as found by the engineer.

In the meantime, the permit which you hold will be valid evidence of your water right.

Very truly yours,

CHAS. E. STRICKLIN
State Engineer

Dear Mr. Potocnick:

This will acknowledge receipt of your application for a permit to appropriate 2/16ths cubic foot per second from an unnamed spring for domestic use, together with fees in the amount of \$14.50 for which our Receipt No. 31776 is enclosed.

The application has been filed and given No. 20900. It has been checked over and some discrepancies are noted.

The map accompanying your application shows the point of diversion as situated in the SE-NE¹/₄ of Section 9, Township 41 South, Range 13 West; and if this is correct, it should be so noted under Item 4.

The legal description of the property or properties on which water is to be used should be inserted under Item 8. The descriptions may be copied from the deeds, abstracts or contracts of the prospective appropriators.

Items 11, 12, 13 and 14 should be filled in and the application should be signed.

A description of the spring from which water is to be appropriated should be submitted on the enclosed form.

For your convenience in completing your application as suggested, I am enclosing it herewith, indorsed so that to retain its priority it must be returned to this office on or before July 11, 1945.

Very truly yours,
