Wilsonville, OR 97070

Reference: Application R-87901, Permit R-15034

The assignment by proof from John Reger to Bryan Kasler has been recorded in the records of the Water Resources Department.

The Departments records will now show Bryan Kasler as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 140719 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 18, 2018, and within one year after complete application of water to the proposed use, the permittee shall submit a Claim of Beneficial Use (COBU). A COBU was received by the Department on May 15, 2023 and is currently pending review.

Sincerely,

Mary F. Bjork
