Reference: Application S-74397, Permit S-52514

The partial assignment from Steve Cochran and Randy Mansveld to Barbara Cochran and Randy Mansveld, has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 77878 covering the recording fee of \$40.00 is also enclosed. A refund check in the amount of \$5.00 is also enclosed, refunding excess assignment fees.

In addition, a Claim of Beneficial Use has been received for the Cochran portion of this permit, but not the Mansveld portion. If Randy Mansveld did not complete development and make complete application of water by October 1, 1999 of that portion, an extension of time should be filed to protect that portion from being lost.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
