Reference: Application S-54518, Permit S-40887

The assignment by proof from Charles LaFranchi to Ron LaFranchi has been recorded in the records of the Water Resources Department.

The Departments records will now show Ron LaFranchi as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 141295 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that a Claim of Beneficial Use was received by the Department on June 28, 2023 and is currently pending review.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
