The assignment by proof from Stephen Marco Long and Nancy Elizabeth Brunner to Mike Studt and Penny Studt has been recorded in the records of the Water Resources Department.

The Departments records will now show Mike Studt and Penny Studt as the permit holders of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 141490 and 141491 covering the recording fees are also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,

Mary F. Bjork
