Gentlemen:

Enclosed is the final proof in connection with the incomplete water right represented by your permit number 27786.

The data contained in the proof, which is based on an inspection and survey of your project made by a representative of this department, defines the extent to which your water right has been completed within the terms of your Permit. The proof should be dated and signed by you and returned to this office.

Upon receipt of the proof, properly executed and accompanied by the statutory recording fee of \$1.00, a Certificate of Water Right will be issued confirming the rights thereunder and, after being recorded in the county records, will be forwarded to you.

Very truly yours,
