Reference: Application G-14693, Permit G-13693

The assignment from Roy Peters by Barbara Peters, surviving spouse, to Marvin M. and Nancy E. Peters, H&W, has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 88461 covering the recording fee of \$25 has been returned.

I would be remiss if I did not bring to your attention that the time for complete application of water to the proposed project, and submission of a Claim of beneficial Use and Final Proof Survey performed by a Certified Water Rights Examiner has passed. This does place this right at risk for cancellation proceedings to be started. If you have not completely developed the project, an extension of time may be needed.

Should you have any questions, please do not hesitate to contact me at the address above or by telephone at 503-986-0817.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst
