RE: File No. D-138

Dear Mr. Dunlap:

In August of 1969, you filed a water right transfer application for a change in point of diversion of water from Trout Creek for irrigation of some lands that you were then purchasing on contract in Jefferson County. The application was never completed and was later replaced by an application in the name of Robert Pamolin.

We have been holding unearned fees in the amount of \$40 received with your transfer application. We recently obtained your current address from your relatives at Gateway; therefore, our refund check No. 3837 is enclosed to return your \$40.

Sincerely,

James W. Carver, Jr.
Engineer
