The partial assignments from Matt Roth to Janet Lee Trust, Janet Lee Trustee and Dan Lassen have been recorded in the records of the Water Resources Department.

The Departments records will now show Janet Lee Trust, Janet Lee Trustee and Dan Lassen as the permit holders of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 142097 and 142099 covering the recording fees are also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2011, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). A Claim of Beneficial Use was received by the Department on December 14, 2023, and is currently pending review.

Sincerely,

Mary F. Bjork
