Dear Sir

Your card relative to water permit received today and will say owing to circumstances have been unable to complete work on ditch. However have lumber on ground for 400 ft of flume and expect to have it completed within 30 days. We are using water for irrigating and domestic purposes from one of the tributaries. Our permit calls for ditch being dug and finished.

If you will grant a months extension of time on our permit we will be able then to make a final report. Hoping this will be satisfactory. Sincerely,
J. D. B. B. B.
