Mr. W. T. Jamerson
Vida, Oregon

Dear Mr. Jamerson:

I thank you for your letter of May 26 advising that you have repaired your present domestic water system, and as a consequence it will not be necessary to change the point of diversion.

I regret that we cannot return the \$5.00 examination fee paid in connection with your application for such change in point of diversion of water. Our law requires payment of this fee for the purpose of examining an application. After this examination is made, the fee becomes earned and is turned over to the State Treasurer for deposit in the General Fund, as required by statute.

Yours very truly,

CHAS. E. STRICKLEN
State Engineer
