Reference: Application S-88407, Permit S-55086

The partial assignment by proof from Kristina Cooper, Brian Cooper, and Cooper Grove to Travis and Sarah Calderwood has been recorded in the records of the Water Resources Department.

The Departments records will now show Kristina Cooper, Brian Cooper, and Cooper Grove, and Travis and Sarah Calderwood as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 142733 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by September 19, 2022, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). An Application for Extension of Time was received by the Department on March 28, 2024, requesting the time to complete construction and application of water, be extended to October 1, 2026. As of this date, the Application for Extension of Time is pending review.

Sincerely,

Mary F. Bjork
